Calculate Your Downpayment			
# of chickens _____ x \$10/chicken		# of turkeys _____ x \$20/turkey	

- 1** Write the number of chickens and turkeys you would like in the box below the available pick-up dates.
- 2** Calculate the total downpayment (\$10/chicken, \$20/turkey).
- 3** Send this order form and a downpayment check payable to: **Pasture Perfect Poultry, 42395 Berweger Rd. Ashland, WI 54806**
- 4** Order confirmation will be given by phone or email within one week of receiving your order.
- 5** You will be contacted by email one week prior to your order date to tell you at which farm to pick-up your order. **All meat is sold direct and must be picked up at the farm.**
